ABOUT US

WILLOWBROOK
—RECLINERS—

Here at Willowbrook Riser Recliners, we have used our 20 years of experience in mobility products to manufacture and supply riser recliner chairs to over 60,000 customers throughout South Africa, the United Kingdom, and Europe. Now proudly made in South Africa, it's the answer for those who struggle to stand up from a sitting position. Our chairs have also shown to offer positional relief from common painful ailments such as back pain, arthritis, and hiatus hernia.

We look forward to assisting you in designing a bespoke Riser Recliner for your enjoyment for many years to come.

PERFECTLY POSITIONED

Willowbrook Riser Recliners have been specifically designed and built for making standing and sitting an effortless task. Purchased in the main by those suffering from weakness in the arms, hands, knees, and hips. A Willowbrook riser recliner will bring the user to their feet and back into a range of sitting or reclining positions easily and smoothly at the press of a button.

FIND YOUR PERFECT POSITION
